Visti i decreti legislativi del Capo provvisorio dello Stato 22 aprile 1947, n. 283 e 15 settembre 1947, n. 896, e successive disposizioni;

Visto l'art. 33 del decreto-legge 26 ottobre 1970, n. 745, convertito nella legge 18 dicembre 1970, n. 1034;

Vista la delibera del C.I.P.E. in data 27 luglio 1971;

Vista la relazione della Segreteria generale del C.I.P. del marzo 1975, con la quale sono state precisate le operazioni relative alla realizzazione del nuovo metodo di determinazione dei prezzi delle specialità medicinali;

Vista la delibera del C.I.P.E. in data 17 dicembre 1976;

Visto l'art. 2 del decreto-legge 4 maggio 1977, n. 187, convertito in legge 11 luglio 1977, n. 395, che rende operativo, con decorrenza 1° giugno 1977, il nuovo metodo di determinazione dei prezzi delle specialità medicinali;

Vista la relazione predisposta dal Servizio prodotti farmaceutici del C.I.P. in data 7 dicembre 1977;

Sentita la commissione centrale prezzi (art. 2 del decreto legislativo luogotenenziale 19 ottobre 1944, n. 347);

#### Delibera:

1) A decorrere dal giorno successivo a quello della pubblicazione del presente provvedimento nella *Gazzetta Ufficiale* avranno applicazione i prezzi delle specialità medicinali compresi nell'allegato A. Tali prezzi sono comprensivi di I.V.A.

2) Tenuto conto dei problemi derivanti dalle giacenze di materiali e di prodotti finiti, è consentita una sovrastampa indelebile e l'adozione di un bollino trasparente autoadesivo recante il nuovo prezzo e gli estremi del provvedimento C.I.P. n. 50/1979, da sovrapporre — fino ad esaurimento delle scorte — alla fustella o etichetta originale che consenta di identificare chiaramente questi ultimi con particolare riguardo al nome del prodotto.

Il bollino in questione, una volta applicato, non potrà essere asportabile se non deteriorando la fustella o etichetta originali.

Considerati infine i problemi organizzativi derivanti alla distribuzione dalla simultanea variazione dei prezzi di un così elevato numero di confezioni, per un periodo di quarantacinque giorni successivi alla data

di pubblicazione nella *Gazzetta Ufficiale* del presente provvedimento, le specialità medicinali di cui all'allegato A al provvedimento n. 50/1979, possono essere cedute anche al prezzo antecedente.

3) I margini di distribuzione, da applicare sui prezzi delle specialità medicinali di cui all'allegato A, son fissati come segue:

grossisti: 8% sul prezzo al pubblico al netto dell'I.V.A.;

farmacisti: 25% sul prezzo al pubblico al netto dell'I.V.A.

4) Le aziende farmaceutiche, produttrici, interessate alle variazioni di prezzo di cui all'elenco allegato A, possono far pervenire al Comitato interministeriale dei prezzi — entro il termine perentorio di trenta giorni dalla data di pubblicazione del presente provvedimento nella *Gazzetta Ufficiale* — istanza in carta da bollo per il riesame delle determinazioni di prezzo adottate.

All'istanza dovranno essere allegate le analisi di costo relative ai prodotti che hanno subito variazioni di prezzo.

La presentazione delle istanze di cui sopra non hanno effetto sospensivo.

Roma, addì 23 ottobre 1979

*Il Ministro-Presidente delegato:*
